mon was preached by Rev. A. D. McClure, D. D., from Exodus 12:11.

There were present 14 ministers and 12 ruling elders representing churches.

Organization: Rev. W. W. Martin was elected moderator and Rev. W. H. Goodman and S. A. Biney were chosen temporary clerks.

Popular Meeting: A popular meeting was held in the interest of Sabbath schools, with addresses as follows: Sunday-schools Among the Negroes, by Rev. W. M. Baker; The Sunday-school a Teaching Force, by Rev. W. M. Shaw; Men and the Sunday-school, by Mr. W. M. Cumming; Sunday-schools in New Territory, by Mr. W. B. Neal.

Minister Received: Rev. W. F. Hollingsworth was received from West Lexington Presbytery.

Church Organized: The organization of a new church at Delyado, Wilmington, N. C., was reported.

Installations: Five installations were reported as follows: Rev. J. W. Purcell, D. D., at Faison, Calypso and Mt. Olive; Rev. W. H. Goodman, at Clarkton, and Rev. W. M. Shaw at Southport.

James Sprunt Institute: Rev. W. F. Hollingsworth, president of James Sprunt Institute, gave a most encouraging report from that institution. The opening was one of the best, if not the very best, in the history of the school, and the indications are that all the rooms will be fully occupied by next week, besides an unusually large attendance of pupils from the village and community.

Special Sermons: Sermons were preached, by request, as follows: On Predestination, by Rev. W. H. Goodman; on Future Punishment, by Rev. J. W. Purcell, D. D.; on Sabbath Observance, by Rev. A. D. McClure, D. D., and an address was made by Rev. W. W. Morton on Presbyterianism in Scotland.

Foreign Missions: Rev. A. D. McClure, the permanent chairman, made a report on this cause, which was followed by an address by Rev. W. M. Baker, in which he urged the putting of the Missionary Survey in all the homes of our Church.

Home Missions: The reports of the committee on this cause and of the sub-Committee on Evangelism, were very encouraging. If we are to judge from the number added to our Church on profession of their faith and from the gifts to Benevolences, the past year has been the best in the history of the Presbytery. Under the leadership of our efficient chairman, Dr. Wells, we are planning not only to have all our churches supplied in the near future, but to extend our Home Mission work by putting additional men in the field.

Elders and Deacons' Conference: Plans were made for holding an Elders' and Deacons' Conference somewhere in the bounds of the Presbytery during the winter.

Place of Next Meeting: Faison, N. C., April 10, 1917, at 11 A. M.

The meeting was a busy one, but a very enjoyable one, and the hospitality of the good people of Seven Springs was all we could desire.

Sunday-school work of the Presbytery and the recommendations of the Assembly touching this work, were adopted, generally without amendment, as fixing a standard for the efforts of the Presbytery. The organization of the Sunday-school superintendents into an association to further all Sabbath school interests was reported to the Presbytery.

More than twelve evangelistic meetings were reported by the local Home Missions Committee as having been held or planned for the near future, and in the conference on the State of Religion an encouraging note was often sounded. There are no vacant churches in the Presbytery at this time.

Careful consideration was also given the proposed transfer of the colleges now under Presbyterian control to the Synod and the Presbytery voted almost unanimously against this transfer.

Excellent sermons were preached during the meeting by Rev. J. R. McRee, from 1 Kings 13:20, and by Rev. J. E. Wallace, from Ecclesiastes 10:1.

Walhalla church was chosen as the next place of meeting and the time was fixed as Tuesday after the second Sunday in April.

BRAZOS.

The Presbytery of Brazos met according to adjournment in the First Presbyterian church of Galveston, Tuesday, September 26th, at 8 o'clock P. M.

The opening sermon was preached by the retiring moderator, Rev. W. H. Matthews, using as a text Acts 8, portions of the 35th and 39th verses, "And he preached unto him Jesus, and he went on his way rejoicing."

Officers: Rev. J. A. Stanley was elected moderator, Rev. C. F. Arrowood temporary clerk, Rev. M. H. Arnold reading clerk, and Rev. W. H. Matthews press reporter.

Eighteen ministers and twelve ruling elders were in attendance. Mr. Lonnie Green was received under the care of the Presbytery as a candidate for the ministry.

Licentiate M. L. Eaves was ordained as an evangelist.

Candidate W. G. Hulie was licensed as a probationer for the ministry.

The Home Mission Committee report showed that good progress had been made in all our home mission churches since the spring meeting.

The evangelists report showed great activity in supplying vacant churches and holding meetings and looking after Presbytery's interests.

Presbytery enjoyed having Rev. Robert Knox, a member of this Presbytery, who is home on furlough from his field in Korea, meet with us, and especially his splendid addresses.

The Committee on Sabbath and Family Religion recommended that each minister of the Presbytery preach on the subject of Sabbath Observance the second Sunday in November.

Rev. C. C. Bean preached the doctrinal sermon on the subject, "The Deity of Christ," which was very much enjoyed by every one present.

El Campo was selected as the place for the next stated meeting, Tuesday after the third Sunday in April, at 8 P. M.

Presbytery adjourned to meet at the call of the moderator, at Synod, which meets in Bryan, Texas.

CONGAREE.

Congaree Presbytery met in St. Matthews church, on October 2d, and was opened with a sermon by Rev. R. B. Grinnan.

Rev. G. G. Mayes was elected moderator and Rev. F. D. Vaughan temporary clerk.

Rev. Charles Montgomery, of Savannah Presbytery, was received and arrangements were made to install him as pastor of Laughlann and Simwell churches.

An interesting conference on Sunday-school work was held. Also interesting services in the interests of Home and Foreign Missions were held.

Rev. Gaston Bayle, of our mission in Brazil, gave a very interesting account of conditions in that country.

Mr. R. L. Moore was elected trustee for Chicora College for Women.

Altogether it was a very delightful meeting. One of the features of the session was the pride of the people in their beautiful new church, which has been recently finished and paid for.

The next session will be in Winnsboro.

WHERE DRUGS FAIL.

Many chronic diseases fail to respond to drug treatment, even in the hands of the best physicians, whereas acute diseases usually respond readily. When a disease has become chronic, drugs often seem to do as much harm as they do good, for the system rebels against them. It is just this class of cases which derive the greatest benefit from Shivar Mineral Water. If you suffer with chronic dyspepsia, indigestion, sick headache, rheumatism, gall stones, kidney or liver disease, uric acid poisoning or other conditions due to impure blood, do not hesitate to accept Mr. Shivar's liberal offer as printed below. His records show that only two in a hundred on the average, have reported "no beneficial results." This is a wonderful record from a truly wonderful spring. Simply sign the following letter:
